

netlife easy system; straightforward in-house project engineering; easy installation; preset functions; simple commissioning via remote control, app, DIP switch, rotary knob, etc.

## CHARACTERISTICS

<b>Regiolux Classification</b>	netlife easy	
<b>Control signal</b>	Slave signal	
<b>Communication</b>	Wired	
<b>Sensor technology</b>	PIR - passive infrared	
<b>Installation height (min/max)</b>	2m to 10m	
<b>System compatibility</b>	easy06; easy15	
<b>System extension</b>	netlife easy19	
<b>Application</b>	Industry, Logistics centres, Garages, Corridors	
<b>Function</b>	Motion detection, presence detection	

## MONITORING AREA

<b>Mounting Height</b>	3,5m	10m
<b>Ø max. sitting[S]</b>	9m	-
<b>Ø max. radial[R]</b>	-	16m
<b>Ø max. tangential[T]</b>	-	48m
