

netlife easy system; straightforward in-house project engineering; easy installation; preset functions; simple commissioning via remote control, app, DIP switch, rotary knob, etc.

**CHARACTERISTICS**

<b>Regiolux Classification</b>	netlife easy
<b>Control signal</b>	Slave signal
<b>Communication</b>	Wired
<b>Sensor technology</b>	PIR - passive infrared
<b>Installation height (min/max)</b>	2m to 5m
<b>System compatibility</b>	easy28; easy32
<b>System extension</b>	easy29
<b>Application</b>	Office, Meeting rooms, Corridors, Secondary rooms, Industry
<b>Function</b>	Motion detection, presence detection

**MONITORING AREA**

<b>Mounting Height</b>	2,5m	max.5m
<b>Ø max. sitting[S]</b>	4m	-
<b>Ø max. radial[R]</b>	6m	-
<b>Ø max. tangential[T]</b>	10m	18m
